

Top 100 State Meet Performers

Boys Top 100

The following is a list of state meet performances. Each individual is allowed one entry per event. Each school is allowed one relay per year. The performance had to occur during the state meet preliminaries or state meet finals. Relay lead-off splits will only count as an entry for the 50 and 100-yard freestyle events if the performance is a Class A, AA, or All-Time State Record (i.e. Griffin Back's 100-yard freestyle All-Time State Record).

- * The individual or relay set the All-Time State Record in the event.
- ! The individual or relay set the Class AA State Record in the event.
- # The individual or relay set the Class A State Record in the event.
- L The individual was the lead leg in a relay.
- J The individual or relay performance occurred in a swim-off.
- p The individual or relay performance occurred in prelims.
- Italics* The individual or relay did not finish in the top 16 at state prelims.
- Bold** The individual or relay set a national record in the event.

Introduction

Several years ago, we thought that a Minnesota All Time Top 100 State Meet Performers list would be something that most people associated with Minnesota High School Swimming and Diving would enjoy. We hope that you find the following lists interesting.

The sale of previous Top 100 lists, along with a very generous gift from an anonymous donor, created a permanent display on the wall of the University of Minnesota Aquatic Center featuring the pictures and biographical sketches of the members of the Minnesota Swimming Hall of Fame. That display can be found on the wall of the South balcony near Section 11.

The information in this publication was taken from Minnesota State High School League State Meet summaries and yearbooks.
